Letter of Recommendation

To whom it may concern

It gives me great pleasure to testify on behalf of *Mr. Mawande Manjati* whom I have known since March 2019 in my capacity as Branch Coordinator at IkamvaYouth, at the GugsComp (Gugulethu). He has been volunteering as a tutor and a head of Media, Image and Expression for the entire branch since then. During the time that I have had contact with *Mr. Manjati*, I got to know him as a person with good leadership qualities, interpersonal skills and sincere compassion for the peers he works with.

His dedication to making a difference and strong interest in helping others came to the front during exam preparations, winter school panning, and learner excursions. *Mr. Mawande Manjati* is a diligent worker and works well alongside others in a team. He works really hard in applying himself and is committed to doing his best irrespective of the task handed to him. Given these qualities I therefore have no reservations in recommending him for the opportunity for which he is applying, trusting that it will further contribute to his development. I am confident that he would prove to be a remarkable asset to your organization and company.

Yours Sincerely
